There is a

When I am

ba- ttle ra- ging on; It's a fight for right or wrong; It's a  
come to look a- gain; I won't look I won't give in. I will  
temp- ted on my own, I don't have to fight a- lone; I can

9

war for my own heart and mind. E- vil traps are draw- ing  
talk to my mom or my dad. I will run or play or  
talk to my Fa- ther in prayer. I'll tell lead- ers who can

14

near; Bad pic- tures can ap- pear That steal the peace the  
read; I will help some- one in need; I'll fo- cus on the  
guide; It's my mind; I will de- cide; To fill my thoughts with

*Chorus*

18

Spir- it helps me find.  
good and name the bad.  
good- ness I can share.

I'll turn it off; I'll walk a-

way. I will sing, and I will pray. I will turn to my own lo- ving

27

Sa- vior. I know my bo- dy is a gift, And my mind's a sa- cred

place. I'll be clean; I'll seek light; I'll choose the right.
